MEMORANDUM FOR: Project Director of Personnel

SUBJECT : [redacted] Recommendation for Promotion

25X1

1. [redacted] has demonstrated a capacity considerably beyond the requirements of his current assignment. He has ably handled the office in the absence of both [redacted] and myself. It is my opinion that he currently performs duties more in the category of Special Assistant than Clerk. [redacted] has been in the grade of GS-6 one year as of 3 July 1956.
